Dear Parent/Guardian,

Occasionally a health concern arises in a school setting that requires enlisting the support of parents/guardians and classmates to help make the classroom and school a safe and healthy place for all students. This letter is to inform you that there is an increasing number of students who have severe and potentially life threatening food allergies. These allergies range from nuts and peanuts, to eggs, soy, dairy, wheat, color dyes, and shellfish/fish.

Due to the increasing number of student's with food allergies, **ONLY PREPACKAGED ITEMS WITH INGREDIENT LABELS WILL BE ALLOWED FOR CLASSROOM SNACKS. NO BAKE SALE OR HOMEMADE TREATS WILL BE ALLOWED AT ANYTIME.** Please become familiar with "Accommodating Students With Life-Threatening Food Allergies" policy. It can be found on The Beresford School District Webpage under Our District>School Board Policies>Students.

We thank you in advance for your cooperation.

Julie Limmer, RN

Beresford School District
